

Section 9100 - Area Committee Charter and Membership

The Hawaiian Area Committee is composed of all the organizations and companies that may be involved in a pollution response.

Useful References:

National Contingency Plan (NCP)
Title 40 Code of Federal Regulations (CFR) Part 300

It is the goal of the Area Committee to pre-plan the response to a spill of oil or the discharge of a chemical. It is better to discuss the issue before the incident than during.

Co-Chairs

The National Contingency Plan requires that the co-chairs of the Area Committees be the Federal and State On-Scene Coordinators.
